**PROSPECT PARK AUDITORIUM – MOLINE, ILLINOIS**

**Music by Richard Rodgers      Lyrics by Oscar Hammerstein**  
**Book by Ferenc Molnár**

Billy Bigelow's anxiety, wounded pride, and impatience to support his new family after losing his job, forces him to make an ill-fated decision that transforms the fable of his life into a ghost story.  
Very moving characters, and Rodgers & Hammerstein's most timeless, affecting score.
