PROSPECT PARK AUDITORIUM – MOLINE, ILLINOIS

Music by S. Schwartz, M. Grant, C. Carnelia, M. Rodgers, James Taylor

Book by Stephen Schwartz & Nina Faso

Working paints a vivid portrait of the everyday lives of "common" men and women: the school teacher, the parking lot attendant, the waitress, the millworker, the mason, the fireman, just to name a few. This unique, extraordinary musical is a highly original look at the American landscape that will surprise and inspire, and is simply impossible to forget.
